

Technical drawing of a tunnel cross-section showing a double-track tunnel with three vertical shafts. The drawing includes dimensions for the tunnel length (110.0 m), track spacing (2.100 m), and shaft diameters (Ø 315.000 m). It also shows the shaft depths (10.000 m) and the shaft locations relative to the tunnel centerline (0+00, 0+33.3, 0+66.7).
